INFORMATION REGARDING SPECIAL ASSESSMENTS

PENALTY ASSESSMENT:

The abbreviation "**PA**" refers to penalty assessment. Penalty assessment shall be levied upon every fine, penalty or forfeiture imposed and collected by the courts for criminal offenses, including all offenses involving a violation of a section of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code, except offenses relating to parking.

Where multiple offenses are involved, the assessment shall be based upon the total fine or bail for each case.

Effective January 1, 2003, where penalty assessment is required, twenty dollars ($20.00) shall be added for every ten dollars ($10) or fraction thereof. In addition, 1. Pursuant to PC1465.7 (a), (AB 3000, chaptered September 30, 2002 as urgency legislation), a surcharge of 20% shall be added to the base bail/fine on all criminal offenses. This surcharge is added to and collected in the same manner as penalty assessment, and is approximately $2.00 for every $10.00 or fraction thereof. 2. Pursuant to GC76104.6 (Prop 69, 2004) a $1.00 DNA Identification Fund Penalty shall be added for every $10.00 or fraction thereof. Therefore, twenty-three dollars ($23.00), shall be added for every $10.00 or fraction thereof (PA and surcharge). See detail below.

$ 2.00	Emergency Road Fund - GC76000
$ .50	California Automated Fingerprint Identification Fund - GC76102

NIGHT COURT ASSESSMENT (One assessment per case):

Pursuant to 42006 of the Vehicle Code, in part:

There may be levied a special assessment in an amount equal to one dollar ($1) for every fine or forfeiture imposed and collected by any court which conducts a night court session of the court on offenses involving Vehicle Code violations or local ordinances adopted pursuant to the Vehicle Code except offenses relating to parking.

AUTOMATED COUNTY WARRANT SYSTEM ASSESSMENT:

Pursuant to 40508.5 of the Vehicle Code and 853.7(a) of the Penal Code, in part:

$15.00 assessment will be imposed upon every person who violates his or her written promise to appear, or a lawfully granted continuance of his or her promise to appear in court or before a person authorized to receive a deposit of bail, or who otherwise fails to comply with any valid court order for violation of any provision of the Vehicle Code, Penal Code or local ordinance adopted pursuant to these codes.

SECURITY FEE

Pursuant to Section 1465.8 of the Penal Code (AB1759, Chaptered August 2, 2003), a fee of twenty dollars ($20) will be imposed for each violation on all criminal convictions (infractions, misdemeanors and felonies).

PARKING VIOLATION SURCHARGE (included in the bail amount):

Pursuant to Section 76000(b) of the Government Code, in part:

With respect to each fund established pursuant to Section 76100 or 76101, for every parking offense where a fine or forfeiture is imposed, a surcharge of two dollars and fifty cents ($2.50) shall be included in the fine or forfeiture.

PC1464(c) - When any deposit of bail is made for an offense to which this section applies, and for which a court appearance is not mandatory, the person making such deposit shall also deposit a sufficient amount to include the state penalty prescribed by this section for forfeited bail. If bail is returned, the state penalty paid thereon pursuant to this section shall also be returned.

PC1464(d) - In any case where a person convicted of any offense to which this section applies is in prison until the fine is satisfied, the judge may waive all or any part of the state penalty, the payment of which would work a hardship on the person convicted or his or her immediate family.

PC1464(e) - After a determination by the court of the amount due, the clerk of the court shall collect the penalty and transmit it to the county treasury. The portion thereof attributable to Chapter 12 (commencing with Section 76000) of Title 8 of the Government Code shall be deposited in the appropriate county fund and 70 percent of the balance shall then be transmitted to the State Treasury, to be deposited in the State Penalty Fund, which is hereby created, and 30 percent to remain on deposit in the county general fund. The transmission to the State Treasury shall be carried out in the same manner as fines collected for the state by a county.
