SENTENCING GUIDELINES OVERVIEW

The Standard Sentencing Guidelines is a compilation of recommended sentences, including fines and terms and conditions of probation, for the most common misdemeanor and infraction offenses. This document is meant to be used as a guide, and does not intend to remove any discretion from a judicial officer when determining the most appropriate sentence.

The following pages provide an overview of the Guide.

Fines and Conditions of Probation

The sentencing recommendations contain recommended total fines, including all assessments and restitution fines, as well as mandatory and recommended terms and conditions of probation, if applicable. All grants of probation include: a \$120 Restitution Fine, \$40 Court Operations Assessment¹, a Criminal Conviction Assessment of \$35 for infractions OR \$30 for misdemeanors, and all other applicable fees and assessments. The following are not included in the total fine:

1. The Probation Revocation Restitution Fine (PRRF) in an amount equal to the Restitution Fine, which must be imposed and suspended separately from the total fine due (PC§1202.44).
2. Actual restitution to the victim, which must be determined and ordered separately.
3. Attorney fees if the defendant utilizes the services of appointed counsel (addressed later in this section).

Fine amounts reflected in **red** indicate that the amount is the statutory minimum permitted for the particular violation and that a fine of a lesser amount may not lawfully be imposed.

Conditions of probation with a “**(mandatory)**” indication directly after the term are minimum conditions required by statute. Conditions of probation indicated in *italics* are optional terms that the judicial officer may want to consider.

Payment of Fines, Fees and Assessments

If the judicial officer grants a request for time to pay the fine, or to make payments in installments, the court has established guidelines for the clerk to administratively set a due date and/or to establish payment plans. The defendant should be made aware that a fee of \$30 or \$35 for time to pay or for an installment plan will be added to the total fine.

¹ Formerly called the Court Security Fee (PC 1465.8(a)(1)).

Attorney Fees

In cases in which the defendant utilizes the services of court-appointed counsel and in cases where the court appoints counsel, attorneys' fees to repay the costs of appointed counsel are assessed against all defendants who can afford to pay them. For example, as indicated in the chart below, if a defendant pleads guilty or no contest at arraignment, the court imposes a \$25 counseling fee. These fees are not imposed as a term or condition of probation and are not included in the recommended sentences. The table below includes the appropriate fees for each event.

EVENT	AMOUNT
Arraignment (counseling) ♦ Case is adjudicated with immediate sentence imposed. ♦ For multiple cases, only impose one fee. ♦ No charge if dismissed at arraignment.	\$25
Probation Violation ♦ Admits violation & waives hearing. ♦ Goes to Evidentiary hearing. ♦ For multiple cases, only impose one fee.	\$25 \$100
Misdemeanor ♦ Any event after arraignment, even if case is dismissed.	\$100
