MEDICAL/ PHYSICAL LIMITATIONS

In order to ensure the safety and well-being of all public service workers you must be in good health to participate in public service work. Manual labor is a required component of the Work Projects Program. If you state that you have physical or medical limitations, you may be issued a work project medical evaluation form to submit to your doctor for completion. If your medical /physical limitation(s) is minor or not permanent, you can enroll in the program and be assigned to a work crew when your restrictions are lifted. If your doctor states that your limitation can be accommodated on a regular crew you will be assigned and required to comply with your doctor's orders. If your limitations cannot be accommodated on a regular crew you will be required, upon written notice, to appear in court within seven (7) days (pursuant to Cal. Penal Code §1203.3).

OUT OF COUNTY REFERRALS

If you have authorization from the court to perform public service work in another county, please call the main office at (858) 560-3258 for further instructions. **WORK PROJECTS DOES NOT TRANSFER "OUT OF STATE" REFERRALS.**
