I have been an attorney since 1979 and have a very broad base of civil litigation experience, including some involvement in probate litigation and conservatorship proceedings.

Since August 2000, I have maintained a hybrid law/ADR practice in North County with special focus on real estate and business litigation. My ADR practice combines periodic private retentions with a steady stream of mediation appointments from the San Diego Superior Court on a wide variety of cases. Retentions have included numerous trust disputes.

Since the mid-1990s, I have mediated every type of superior court civil dispute with the lone exception of family law.

I have written a dozen published articles on ADR and spoke at over 25 Bar forums on the strategic use of mediation.
