

How to Restore Your Driver's License!

*You might be eligible to have your
driver's license hold removed!*

To qualify for a reinstatement of your driving privileges, the following two conditions must be met:

- ✓ A driver's license hold or suspension was imposed because you **Failed to Appear** in court or **Failed to Pay** your ticket.
- ✓ You are in good standing with your court-ordered payments and obligations for the violation(s).

If both of these are true, ask the court that placed the hold on your driver's license about having it removed.

NOTE: If payment of your ticket was due on or before January 1, 2013 and you have not paid the ticket, check with your court to see if you are eligible for a reduction in the amount you owe under the amnesty program. If you qualify for amnesty, you automatically qualify to have the hold on your driver's license removed!
