THE JUDICIAL COUNCIL OF THE STATE OF CALIFORNIA

Pursuant to the provisions of section 68115 of the Government Code, it has been determined that the wildfires throughout Southern California, including the County of San Diego have posed and continue to pose an immediate threat to the orderly operations of the Superior Court, County of San Diego from October 22, 2007, up to and through October 26, 2007. Due to the wildfires, Governor Schwarzenegger has declared a state of emergency for San Diego County, among others.

In addition to the relief granted in the orders dated October 22 and 23, 2007, upon the request of Presiding Judge Kenneth K. So, it is further ordered that the Superior Court, County of San Diego is authorized to extend the time period provided in Section 1382 of the Penal Code for the holding of a misdemeanor trial by 30 days (section 68115(h)).

This order is to be in effect for proceedings in which the last day of the statutory time period would occur between October 22, 2007, through and including October 26, 2007. The court must notify the Judicial Council if the circumstances necessitating this order are resolved prior to October 26, 2007.
