

NOTICE TO ATTORNEYS
Central Probate Division
San Diego Superior Court

Effective December 4, 2006, the Central Probate Courts will move from a master calendar format to an Independent Calendar format.

Cases will be assigned to Judicial Officers for all purposes and will remain in the same department throughout the life of the case.

The department identifications will change as well. Effective December 4, 2006, Department "PC" will be renamed "PC1". Department "F10" will be renamed "PC2". Calendars and signage will be changed to reflect the new department names.

Calendar times and dates have changed to accommodate the new calendaring system and to allow both courtrooms to run additional calendars. Notice of continuance will be sent to the moving parties affected by these calendar changes, and calendar changes will be posted in the courtrooms for all parties. Calendar changes effective December 4, 2006 are noted as follows:
