## PUBLIC NOTICE

### **EXPANDED BUSINESS OFFICE HOURS TO BECOME EFFECTIVE JULY 11, 2016**

We are writing to inform our justice partners and court users that beginning Monday, July 11, 2016, the San Diego Superior Court will be expanding the public business hours in our clerks' offices to Monday-Friday 8:30 a.m. - 4:00 p.m.

We are able to take this action based on what we know about the proposed state budget for FY 16-17. Also, the Governor/Legislature has approved additional funds for the judicial branch over the past three years, with an expectation that trial courts will begin restoring some of the reductions made during the recession. We first reduced our public service hours in September 2012 at the height of the funding reductions imposed on the trial courts.

  
JEFFREY B. BARTON  
Presiding Judge
