## INFRACTION APPEAL INFORMATION SHEET

This document provides basic information about filing an appeal of an infraction. It is important that you also read the Information on Appeal Procedures for Infractions (JC Form #CR-141-INFO), which provides additional information. For this and other applicable forms, visit the Superior Court's website at [www.sdcourt.ca.gov](http://www.sdcourt.ca.gov) or the Judicial Council's website at [www.courtinfo.ca.gov/forms](http://www.courtinfo.ca.gov/forms).

### DEADLINE FOR FILING YOUR APPEAL:

As noted in the Information on Appeal Procedures for Infractions (JC Form #CR-141-INFO, section 8), in an infraction case, you must file your notice of appeal within **30 days** after the trial court makes ("renders") its judgment in your case or issues the order you are appealing. The date the trial court makes its judgment is normally the date the trial court orders you to pay a fine or orders other punishment in your case (sentences you).

**The deadline for filing the notice of appeal cannot be extended. If your notice of appeal is late, the Appellate Division will not be able to consider your appeal.**
