NOTICE TO THE PUBLIC

EXPANSION OF FAMILY SUPPORT DIVISION IMAGING PROJECT

EFFECTIVE NOVEMBER 3, 2025

Cases filed in the family support division on or after August 24, 2015 are currently imaged and stored electronically. Beginning on **November 3, 2025, the business office will begin to fully image cases initiated and assigned to the family support division before August 24, 2015 and they will be designated as "Imaged Cases."**

Pursuant to Government Code section 68150 and California Rules of Court, rule 2.504, for Imaged Cases, the electronic court file in Odyssey is certified as the official record of the court. **ALL pleadings and documents filed in Imaged Cases, including all original documents attached to pleadings filed with the court, will be imaged and held for 30 days, and after that time they will be destroyed. Original documents should not be filed with the court.** Any documents necessary for a motion hearing or trial must be lodged in advance of the hearing or trial pursuant to California Rules of Court, rule 3.1302(b).

This change only applies to family support division cases. Cases initiated and assigned to the family law departments before August 24, 2015 will remain Partial-Imaged Cases.

For further information, please refer to the General Order of the Presiding Department No. 101725-34, available on the court's website at www.sdcourt.ca.gov.
