FINDINGS AND ORDER

Due to the state of emergency declared by the federal government and the governor of the state of California and in response to the COVID-19 pandemic and the resulting stay at home order, and upon agreement by counsel, this matter will proceed by stipulation on the documentary evidence, without having a court hearing.

The court has reviewed this Stipulated Request and the attached CWS report(s) and any attachments. The court finds that the report(s) and any attachments fully support the recommended findings and orders by CWS. Accordingly, based on the parties' Stipulated Request and in the interests of justice, the court adopts the recommended findings and orders as the findings and orders of the court without prejudice.

All adult parties are ordered to appear on (date) _____ at (time) _____ a.m. p.m. in Dept. _____ for (type of hearing) _____ at the court location indicated above.

Notice will be provided as required by law.

The court finds that the COVID-19 pandemic is an exceptional circumstance constituting good cause to continue the hearing date from the date originally set and that a continuance is not contrary to the best interest of the child(ren).

The court has reviewed this Stipulated Request and the attached CWS report(s)/memoranda and recommendations, and finds that a hearing is required (either at the request of a party or on the court's own motion).

All parties who were previously ordered to appear at the original hearing are ordered to appear on (date) _____ at (time) _____ a.m. p.m. in Dept. _____ for (type of hearing) _____
