

TRIAL ADVOCACY PROGRAM

The SDLRLA Trial Advocacy Program (TAP) has adopted five high schools from lower social-economic neighborhoods in order to help them enhance their existing team or to establish a mock trial program, to introduce high school students to professional role models, and to prepare our students to compete in the San Diego County High School Mock Trial Competition. For all questions regarding the High School Mock Trial Competition,.

Please consider a donation to SDLRLA.

PROJECT LEAD

Project LEAD is an educational program that SDLRLA co-hosts with the San Diego County District Attorney's Office which focuses on inspiring fifth graders to make positive life choices. Project L.E.A.D. (Legal Enrichment And Decision-making) is a ten-week educational and crime prevention program designed to teach fifth-graders positive values, conflict resolution, and tools to resist peer pressure. We have taken this program online to complete the 10-week program, classes are usually held on Thursdays from 11:30am - 12:30pm.

Please consider a donation to SDLRLA.

Your financial support helps provide supplies for the students.

EN LA COMUNIDAD

En La Comunidad is a program inspired by the association's members to help the San Diego Community by engaging with San Diego La Raza Lawyers Association. Many of our lawyers went into the field of law to help other people overcome obstacles that they themselves overcame on their own journey. Our lawyers are experienced and knowledgeable in their respective fields and look forward to the opportunity to advocate for good people in unfortunate situations. En La Comunidad will collaborate with other organizations to help our Latinx community whenever feasible. Our goal is to inform our community about their legal rights and options by creating events to provide information and resources in areas of need, such as education, tenant rights, immigration, and employee rights.

Please consider a donation to SDLRLA.

Your financial support helps provide the community additional free programs supporting those that need it the most.
